English Songs

0.21 Hotel California

(Bm) On a dark desert highway, (F#) cool wind in my hair
Her mind is Tiffany-twisted, she got the Mercedes bends
==> Last thing I remember, I was running for the door
(A) Warm smell of colitas (E) rising up through the air
She got a lot of pretty pretty boys, she calls friends
I had to find the passage back to the place I was before
(G) Up ahead in the distance, (D) I saw a shimmering light
How they dance in the courtyard, sweet summer sweat.
'Relax,' said the night man, 'We are programmed to receive.'
(Em) My head grew heavy and my sight grew dim, (F#) I had to stop for the night
Some dance to remember, some dance to forget
You can check-out any time you like, But you can never leave!' (End)
(Bm) There she stood in the doorway; (F#) I heard the mission bell
So I called up the Captain, 'Please bring me my wine'
==> Mirrors on the ceiling, The pink champagne on ice
(A) And I was thinking to myself this could be (E) heaven or this could be hell
He said, 'We haven't had that spirit here since nineteen sixty nine'
And she said 'We are all just prisoners here, of our own device'
(G) Then she lit up a candle, (D) and she showed me the way
And still those voices are calling from far away,
And in the master's chambers, They gathered for the feast
(Em) There were voices down the corridor, (F#) I thought I heard them say
Wake you up in the middle of the night, Just to hear them say...
They stab it with their steely knives, But they just can't kill the beast
1/2:(G>Welcome to the (D)Hotel California.
1/2:(F#)Such a lovely place, (Bm)such a lovely face
1:(G)Plenty of room at (D)the Hotel California
2:(G)They livin' it up at (D)the Hotel California
1:(Em)Any time of year (any time of year) (F#)you can find it here
2:(Em)What a nice surprise (what a nice surprise), (F#)Bring your alibis

0.22 Take Me Home, Country Roads

Capo: 4

G Em D C G
Almost Heaven; West Virginia, Blue Ridge Mountains, Shenandoah River.
All my memories gather round her, miner's lady, stranger to blue water.

G Em D
Life is old there, older than the trees, younger than the mountains,
Dark and dusty, painted on the sky, misty taste of moonshine,

C G
Blowin like a breeze.

Teardrop in my eye.

[Chorus]

G D Em C
Country Roads, take me home, to the place, I belong,

G D C G
West Virginia, mountain mama, take me home, country roads.

[Bridge]

Em D G
I hear her voice in the morning hour she calls me,

C G D
The radio reminds me of my home far away.

Em F C
And driving down the road I get a feeling

G D D7
That I should have been home yesterday, yesterday.

0.23 Take me to your heart

Capo: 0 or 2

G Em
Hiding from the rain and snow, Trying to forget but I won't let go
Standing on a mountain high, Looking at the moon through a clear blue sky
C D
Looking at a crowded street, Listening to my own heart beat
I should go and see some friends, But they don't really comprehend
Em Bm7 C G
So many people all around the world
Don't need too much talking without saying anything
Em Bm7 Am D
Tell me where do I find someone like you girl
All I need is someone who makes me wanna sing
G Em C D
Take me to your heart take me to your soul, Give me your hand before I'm old
G Em C D
Show me what love is - haven't got a clue, Show me that wonders can be true
Bm7 Em Am D
They say nothing lasts forever, We're only here today
Bm7 Em Am D
Love is now or never, Bring me far away
G Em
Take me to your heart take me to your soul
C D
Give me your hand and hold me
G Em
Show me what love is, be my guiding star
Am D G
It's easy, take me to your heart
