第二章 English Songs

2.1 Hotel California

(Bm) On a dark desert highway, (F#) cool wind in my hair
Her mind is Tiffany-twisted, she got the Mercedes bends
==> Last thing I remember, I was running for the door
(A) Warm smell of colitas (E) rising up through the air
She got a lot of pretty pretty boys, she calls friends
I had to find the passage back to the place I was before
(G) Up ahead in the distance, (D) I saw a shimmering light
How they dance in the courtyard, sweet summer sweat.
'Relax,' said the night man, 'We are programmed to receive.'
(Em) My head grew heavy and my sight grew dim, (F#) I had to stop for the night
Some dance to remember, some dance to forget
You can check-out any time you like, But you can never leave! (End)
(Bm) There she stood in the doorway; (F#) I heard the mission bell
So I called up the Captain, 'Please bring me my wine'
==> Mirrors on the ceiling, The pink champagne on ice
(A) And I was thinking to myself this could be (E) heaven or this could be hell
He said, 'We haven't had that spirit here since nineteen sixty nine'
And she said 'We are all just prisoners here, of our own device'
(G) Then she lit up a candle, (D) and she showed me the way
And still those voices are calling from far away,
And in the master's chambers, They gathered for the feast
(Em) There were voices down the corridor, (F#) I thought I heard them say
Wake you up in the middle of the night, Just to hear them say...
They stab it with their steely knives, But they just can't kill the beast
1/2:(G>Welcome to the (D)Hotel California.
1/2:(F#)Such a lovely place, (Bm)such a lovely face
1:(G)Plenty of room at (D)the Hotel California
2:(G)They livin' it up at (D)the Hotel California
1:(Em)Any time of year (any time of year) (F#)you can find it here
2:(Em)What a nice surprise (what a nice surprise), (F#)Bring your alibis

Capo: 4

G Em D C G
Almost Heaven; West Virginia, Blue Ridge Mountains, Shenandoah River.
All my memories gather round her, miner's lady, stranger to blue water.

G Em D
Life is old there, older than the trees, younger than the mountains,
Dark and dusty, painted on the sky, misty taste of moonshine,

C G
Blowin like a breeze.
Teardrop in my eye.

Country Roads, take me home, to the place, I belong,
G D C G
West Virginia, mountain mama, take me home, country roads.

[Bridge]

Em D G

C G D
The radio reminds me of my home far away.

Em F C
And driving down the road I get a feeling

G D D7
That I should have been home yesterday, yesterday.

2.3 Take me to your heart

Capo: 0 or 2

G Em
Hiding from the rain and snow, Trying to forget but I won't let go
Standing on a mountain high, Looking at the moon through a clear blue sky
C D
Looking at a crowded street, Listening to my own heart beat
I should go and see some friends, But they don't really comprehend
Em Bm7 C G
So many people all around the world
Don't need too much talking without saying anything
Em Bm7 Am D
Tell me where do I find someone like you girl
All I need is someone who makes me wanna sing
G Em C D
Take me to your heart take me to your soul, Give me your hand before I'm old
G Em C D

Bm7 Em Am D

Bm7 Em Am D

Because a vision (F)softly creeping(C),
Left its seeds while I (F)was sleeping(C),
And the (F)vision that was planted (C)in my brain
Still (Am)remains
(C)Within the (G)sound of (Am)silence.

G Am

In restless dreams I walked alone Narrow streets of cobblestone,
And in the naked light I saw, Ten thousand people, maybe more.

F C F C

'neath the halo of a street lamp, I turned my collar to the cold and damp
People talking without speaking, People hearing without listening

F C

When my eyes were stabbed by the flash of a neon light
People writing songs that voices never share

Am C G Am

That split the night, And touched the sound of silence.
And no one dare, Disturb the sound of silence.

G Am

Fools said I, you do not know, Silence like a cancer grows.
And the people bowed and prayed, To the neon God they made.

F C F C

Hear my words that I might teach you, Take my arms that I might reach you.
And the sign flashed out its warning, In the words that it was forming.

C F C Am C G Am

But my words like silent raindrops fell, And echoed In the wells of silence

F

And the sign said, the words of the prophets

F C C Am

Are written on the subway walls And tenement halls.

C G Am

And whisper'd in the sounds of silence.

2.7 Sunshine In The Rain

Key: C#, Capo: 2

Am Dm7 G C Am
When I'm in Berlin you're off to London, When I'm in New York you're doing Rome
Wishing we could be more telepathic, Tired of the nights I sleep alone
Even if we call the highest power, We can only do one town a time

 Dm7 G C
All those crazy nights we spend together, As voices on the phone
Wishing we could redirect the traffic, And find ourselves a home
Words are not enough action speaks louder, Second time around

 F G G C
Can you feel the raindrops in the desert, Have you seen the sunraise in the dark

 F G G Am
Do you feel my love when I'm not present, Standing by your side while miles apart

 Dm7 G C
Sunshine in the rain, Love is still the same, Sunshine in the rain
